Sigma

Engine Driven Pressure Washers

Quality, reliability, value for money. As with all machines manufactured by Dual Pumps the Sigma range has been built using only the finest materials and components available. The Sigma range has the power to tackle the toughest jobs in all sectors of commercial and industrial cleaning.

Sigma - Honda GX Petrol

Part No.	Engine	Lpm	Bar	Kg
SG200PH	GX340 11Hp	15	200	63
Dimensions - 1010L x 600W x 920H (mm)				

- Interpump plunger pump fitted with brass manifold
- Heavy-duty two-piece lance & gun assembly
- 10 metre rubber coated high pressure hose
- Robust powder coated frame with pneumatic wheels
- 3 metre suction hose with filter
- Fitted with oil alert as standard
- Low pressure chemical injection facility
- Unloader valve with adjustable pressure control

SG250PH is fitted with a conventional unloader valve.)

Sigma Diesel - Electric Start Lombardini

Part No.	Engine	Lpm	Bar	Kg
SG200DEL	Lomb 11Hp	15	200	97
Dimensions - 1010L x 600W x 920H (mm)				

- Interpump plunger pumps with brass manifold
- Heavy-duty two-piece lance & gun assembly
- 10 metre rubber coated high pressure hose
- Robust powder coated frame with pneumatic wheels
- 3 metre suction hose with filter
- Lombardini engine with electric start & charging system
- Maintenance free pure lead dry battery
- Low pressure chemical injection facility
- Unloader valve with adjustable pressure control
